

## MAN ON TRIAL CHARGED WITH WALLET THEFT

The Adams County court opened its August term this morning with the trial of Cramer J. Eyer, Woodsboro, Md., accused of stealing a pocketbook from Edward Ross Wetzel, Emmitsburg R. 1, at a drinking party Easter Sunday morning, 1956, at the home of Edward T. Richardson, Iron Springs.

Eyer was indicted last August and was scheduled for trial at that time, but disappeared and was arrested earlier this year at Emmitsburg, District Attorney Daniel E. Teeter said this morning.

Mrs. Dorothy Richardson, wife of the late William Richardson, Iron Springs, granddaughter of Edward T. Richardson and daughter of Edward Ross Wetzel, testified this morning to seeing Eyer enter the bedroom of the house where her grandfather and father were in bed sleeping.

**Youth Testifies**  
She testified that her grandfather left the bedroom hurriedly. She said Eyer then left the room and that she then awakened her father.

Ten-year-old Robert Richardson, Iron Springs, who told the court he knew that people "who told lies in court go to jail," told the jury he had seen Eyer "feel around" his great-grandfather Richardson, and saw the elder man get out of bed and leave the room. He said Eyer then took a pocketbook from Wetzel's pocket and put it in his own pocket.

Wetzel told the jury he had \$146 "and some odd cents" in the pocketbook.

Mrs. Dorothy Richardson and her son, Robert both testified that Eyer also rifled the pockets of George Woodring, Emmitsburg R. D., who was sleeping, according to Mrs. Richardson, in the kitchen. Her son said he was in the bedroom.

**Reject Witness, Nine**  
Nancy Richardson, 9, Emmitsburg R. D., who was called to testify, was not permitted to do so when she could not satisfy the court that she knew the meaning of an oath. She said she had never attended Sunday School.

Edward Richardson, at whose home the party was held, was said by Mrs. Dorothy Richardson to have been ill and had not been drinking.

The jury hearing the case, which continued this afternoon includes: William J. Peaser, Littlestown R. 2; George Markle, Abbottstown; Charles F. Klinger, New Oxford R. D.; James R. Robinson, New Oxford; Amanda E. Myers, S. Washington St.; Myron L. Brough, Aspers; Ada S. Frey, Aspers R. 1; Wilmet Miller, York Springs R. 1; James U. Bowers, W. King St., Littlestown; David E. ## IKE RETURNS TO WASHINGTON BY CAR ON SUNDAY

President Dwight D. Eisenhower returned to Washington Sunday afternoon about 5 o'clock, traveling by car.

Despite the heavy rain, the Presidential departure from the Eisenhower farm was witnessed by a large number of tourists, who apparently had waited for some time for a brief glimpse of the chief executive.

Newsmen, advised that the President would leave the farm between 4 and 5 o'clock Sunday afternoon, gathered at the farm gate to accompany the caravan of cars to Washington, D. C.

**Overlooks "General Ike"**  
Decision of the President to drive to Washington, rather than fly, was announced to newsmen about 2 o'clock Sunday afternoon.

Gettysburg firemen who had been standing by in event of an emergency at the airport were in hopes the President might see the new Mack fire engine they purchased and named the "General Ike."

An Associated Press story Sunday in the New York Times Sunday mentioned the local fire truck as follows:

"At the airport here or President Eisenhower's arrival from Washington, the Gettysburg Volunteer Fire Department was on hand as usual with two pieces of fire-fighting equipment—a routine precaution. The President did not notice, but one of the fire trucks was brand new—a \$23,000 pumper christened 'General Ike.'"

President Eisenhower Saturday played golf at the Gettysburg Country Club with his son, John, Brig. Gen. Arthur S. Nevins and Dick Schleicher, the club pro.

**Mrs. Eisenhower Fine**  
On the first tee General Nevins asked how Mrs. Eisenhower was getting along.

"She's fine, she's very good," President Eisenhower responded. "In fact, she's the one who made me come up here."

The President told General Nevins that while Mrs. Eisenhower was recovering satisfactorily, she still had no visitors from outside the family at the Walter Reed Hospital. The President visited with his son and daughter-in-law and grandchildren while here.

Major Eisenhower and his family spent the weekend at their home at the edge of the Eisenhower farm.

By KAY TATEISHI

Japanese prosecutors entered a new accusation that the Army specialist from Ottawa, Ill., shot at four other Japanese before an empty cartridge case fired from his grenade launcher killed Mrs. Naka Sakai Jan. 30.

"The facts in the indictment are not correct," the 22-year-old GI told the three black-robed judges as his trial on a manslaughter charge opened in the Japanese District Court here.

## Death Was Accident

In a brief statement Girard told the court Mrs. Sakai's death "was an accident as far as I'm concerned and I'm sorry it happened." The prosecution charged that he threw out empty shell casings to entice the scavengers onto the firing range.

## Clear Rights Bill For Early House Action

WASHINGTON (AP)—The House Rules Committee today voted 10-2 to clear the long-blocked civil rights bill for House action.

The committee vote overrode Chairman Howard W. Smith (D-Va.) and Rep. Colmer (D-Miss.) last-ditch opponents of the compromise measure, and paved the way for House action expected tomorrow.

Speedy House passage is expected for the measure which had been bottled up in the Rules Committee since Senate passage Aug. 7.

The meeting of the Rules Committee was forced by seven members because Chairman Smith had refused to call a session of the committee.

Under House rules, a majority of a committee can force a meeting when the chairman does not call one.

## County Registrars End Sessions Today

## .82 INCHES OF RAIN FALLS IN TOWN ON SUNDAY

Gettysburg had .82 inch of rain over the weekend, far and away the heaviest downpour since the month began. The steady rain was expected to prove beneficial to farmers and orchardists, who in some sections had an even heavier rainfall. The Arendtsville Research laboratory reported 1.56 inches over the weekend.

Total for the month now in Gettysburg is 1.37 inches, this having been the sixth rainfall measured during August. Last year by this date in August 3.59 inches of rain had fallen. Average August rainfall is 3.95 inches. July's total was 2.18 inches.

### Heavy Rainfall

By THE ASSOCIATED PRESS  
A steady overnight rainfall of one to three and a half inches brought relief today to parched fields and forests in Pennsylvania.

The Weather Bureau at Harrisburg said the southeastern area, hard hit by a prolonged drought, received the heaviest falls. "The rains fell in the right places this time," the bureau said. The rain not only brought relief to parched crops but eased a threat of forest fires, especially in the southeastern area. Before the rain, the state's chief forest fire warden, had described forest fire threat there as the most serious in 25 years.

### Inch In Harrisburg

The Philadelphia area apparently was the hardest hit by the soaking rain. The Weather Bureau measured nearly three and a half inches in the 24-hour period ending at 6 a. m. (EST).

About an inch fell in Harrisburg, more than two inches in Hazleton, and nearly two inches in the farm-rich counties of Delaware, Montgomery and Bucks, surrounding Philadelphia.

The Weather Bureau said less than a quarter of an inch of rain fell in western Pennsylvania. County agricultural agents agreed that the rain did much in bringing relief from the worst drought in the 85-year history of the weather bureau.

### Hailed As Life Saver

Farmers hailed the rain as a life saver for later apple and peach crops, for late corn and for some vegetable crops that are planted in the late summer and harvested in the fall.

It is also expected to revive parched pasture lands.

But in Lancaster County the rain, though welcome, came too late. M. M. Smith, county agricultural agent, said that farmers had lost about 12 million dollars because of the drought.

Smith said the tobacco crop had been reduced 30 per cent, the corn crop was off 40 per cent and hay down 60 per cent.

In the Philadelphia area the rain changed into thunderstorm early today and caused considerable damage. Trees were toppled by strong winds and lightning struck several homes. Some streets were flooded by the heavy deluge.

## Assert Man Sold Beer To Juvenile

Investigation by borough police of a fight involving a juvenile early Saturday morning led to the arrest Saturday afternoon of Everett Emory, 39, Chambersburg St., on a charge of furnishing beer to a juvenile ward of the court.

The officers said Saturday afternoon that the teen-ager was still "so intoxicated" at that time they were unable to interrogate him, although he had been "sleeping it off" from about 2 o'clock that morning. Police said the youth had started a fight in Lincoln Square early Saturday morning and had "gotten the worst of the bargain." The side of his face was swollen where he was hit.

Emory was placed in jail in default of bail following his arraignment before Justice of the Peace John H. Basehore Saturday afternoon.

## David Matthews Buried On Sunday

### STOCK PRICES DROP

NEW YORK (AP)—The stock market went lower in moderately active trading early today.

Most pivotal issues took fractional losses but a few were down a point or more. Some stocks bucked the trend with gains ranging from fractions to more than 2 points.

Despite reports that steel orders for 1958 automobiles are starting to come, the major steels were mostly lower. Aircrafts were mixed. Most leading rails took fairly sharp losses as earnings reports by some big carrier showed decline.

## TOURIST LIKES GUIDE SERVICE, WRITES THANKS

The following self-explanatory letter from Arthur J. Norris, 1831 Berwyn Ave., Chicago 40, Ill., was received recently by the Gettysburg Battlefield Guides Association:

"This may be an unusual request, but I will write it out anyway. On June 18, 1957, I made a bus trip to Gettysburg from Washington, D. C., for the purpose of visiting the Battlefield Park, something I had always wanted to do, since boyhood days, when, in my home state of Wisconsin, I had known so many men who had taken part in the battle of Gettysburg and others in Virginia.

"As I reached the square, in the center of the city, I met one of the guides, and asked him I could engage him to drive me over the battlefield. Since I didn't have a car of my own with me, he said he would get one and drive the car himself. We had just time enough to make it before the return bus to Washington.

"In my intense interest in his account of things, and time spent in taking pictures, I completely forgot to introduce myself, and tell where I was from and how I happened to be there that day. I was returning from a vacation trip to Florida and Georgia, and made the stop over in Washington, mainly for the purpose stated.

"The guide was perhaps middle aged, medium build, perhaps five feet seven inches in height and exceeding pleasant in manner and appearance. The time of day was between 12 noon and 2 p.m.

"With this meager information, I would be pleased if you could inform him of my appreciation for his help though I do remember of thanking him at the time.

"I recall that we went to an office on one side of the square where he asked the lady clerk to call for a car to be delivered to him."

## RAIN QUELLS FOREST BLAZE

PLATTSBURGH, N. Y. (AP) — Heavy rain today quelled the worst forest fire in New York State in 13 years, after a week-long battle during which the flames blackened more than 3,000 acres of scrub pine.

The area, near the U.S.-Canadian border, was declared "secure." Weary firemen from three counties washed their smoke-blackened faces and left the scene, directed by forest ranger George Young of Saranac Lake, who had supervised the fire-fighting from the air.

An estimated 75 forest rangers and other workers remained on duty.

Mel Titus, Clinton County fire coordinator, declared the area secure. The hundreds of firemen, volunteers and forest rangers had saved the village of Altona and many other homes.

## PUBLIC HEALTH GROUP HONORS JAMES C. BELL

James C. Bell, a native and long time resident of Adams County, now of Camp Hill, last week received the Pennsylvania Public Health Association award of merit for "outstanding contribution to the field of sanitation in the commonwealth." Bell is director of the State Health Department, Division of Sanitation.

The presentation was made at the association's annual luncheon on the Pennsylvania State University campus in conjunction with the four-day sixth annual Health Conference held at University Park.

Dr. Milton Nicholson, PPHA president, said: "Mr. Bell certainly deserved the award. He's had as long and as extensive a service in sanitary engineering as anyone in the state."

Completely Surprised

Bell, completely surprised at the award, said: "It sure was a well-kept secret. I feel that it's a great honor and I'm very humble about it. I couldn't think of anyone in the health department less likely to get the award than myself. It must be directly attributable to the almost miraculous increase in the efficiency of the sanitation workers in Pennsylvania. They're the ones who should have gotten the award."

A son of the late James F. Bell, near Hagerstown, a former Adams County commissioner, Bell was appointed health officer in Adams County on April 14, 1913. Following service as a 1st lieutenant in World War I, he became an engineer with the sanitation department in 1919. From 1935-39 he was corps area sanitation engineer with the U. S. Army. He was made director, Division of Sanitation, State Department of Health, in 1953.

Bell is a brother of Mrs. J. Herbert Raymond, East Broadway.

the firing range, then shot at them. Moving that the indictment be dismissed, the soldier's chief Japanese attorney Ituro Hayaishi renewed the claim that Girard was carrying out his official duty and therefore is not subject to Japanese jurisdiction.

This argument originally had set off considerable congressional and press criticism in the United States of the Army's decision to let Japan try Girard. The U. S. Supreme Court finally upheld the Army action, ruling that a Japanese trial would not violate the soldier's constitutional rights.

Judge Defers Decision

Presiding Judge Yuzo Kawachi said he would not rule on the jurisdiction issue until all the evidence in the case is heard and "the final decision is given." This is expected to be in late October or November. Hayaishi said this was agreeable to him.

In accordance with the Japanese custom of extended recesses between sessions, the trial was adjourned after today's hearing until Sept. 5. It will move then to the Sogomahara firing range, where the fatal shooting occurred.

The trial opened in a steaming hot little courtroom into which were jammed more than 90 people, including 35 spectators chosen by lot and 42 reporters. Heavy curtains were drawn across the closed windows to prevent photographing into the courtroom.

Court Is Crowded

More than 1,000 Japanese and about 250 newsmen, photographers, newsreel and television men milled around outside the courthouse. Some of the Japanese carried such slogans as "Keep Girard under Japanese custody," "Show the world, give Girard a strictly fair trial" and "Judge! Don't disgrace the pride of the Japanese people."

Three relatives of the dead woman attended the opening session—her 1-year-old daughter Kayoko Sakai and two of Mrs. Sakai's brothers-in-law, Mohel Sakai and Tokotaro Sekiguchi.

Kayoko said her father was at a religious retreat in western Japan and would not attend the trial. She added that she thought the court "is leaning over backward to be partial to the United States and Girard."

## Sen. Johnson Backs Foreign Aid Increase

WASHINGTON (AP)—The Senate Appropriations Committee voted today to restore \$500,000,000 of the \$800,000,000 that the House slashed from President Eisenhower's foreign aid money bill.

The committee voted 14-7 to recommend to the Senate \$3,025,000,000 in new funds. It also approved the reappropriation of \$667,050,000 in carryover funds for a total of \$3,692,050,000.

WASHINGTON (AP)—Senate Democratic Leader Lyndon B. Johnson said today he will support an increase of about a half billion dollars in new foreign aid appropriations.

The Texas Democrat made this announcement after an hour-long breakfast meeting with President Eisenhower. It was the first time they met privately with no others present.

Johnson said he told the President he was prepared to support "a substantial increase" over the 2 1/2 billion dollars in new aid money voted by the House.

Asked to elaborate on the amount he would support, Johnson told newsmen it would be "in the neighborhood of a half billion dollars" above the House figure.

He said the President was "very much concerned" with getting adequate funds for the mutual security program, and added: "I've been concerned about it for some time."

Eisenhower has voiced hope the Senate will vote the full \$3,692,000,000 provided in the authorization bill passed previously by both Houses. The President also has said he hopes senators will make the best deal they can in reaching agreement with the House on a final figure.

Fix Spending Ceilings

The authorization measure merely fixed spending ceilings for the aid program. Actual appropriations now are being considered by the Senate.

Eisenhower accompanied Johnson to the door of the White House's north portico after their breakfast. Newsman thought they heard the President tell his guest "Thanks a million."

Eisenhower's supporters were reported willing to compromise on a hike of about a half billion dollars.

Earlier, Republican leader Earl Warren of California said in an interview he expected the Senate appropriations committee to vote for a fund substantially higher than the House approved.

The contractors for laying the Rails on our Road are busily engaged, and, we learn, have about a mile already finished from Hanover — and are rapidly progressing on the way hither.

Mr. Hoke has purchased the property of Mr. D. Troxel on the northwest corner of Carlisle street and Railroad, and intends, during the present fall, erecting a large three-story Grain and Produce Warehouse thereon.

**New Court House:** We learn, with pleasure, that the Grand Jury, last week, by a vote of 18 to 4 confirmed the decision of the previous Grand Jury as to the erection of a new Court House. It is therefore, a "fixed fact" and we understand that the commissioners will, during the coming fall or winter, fix the location and contract for the erection of the building. From a statement furnished by the commissioners it is assured that no additional tax will have to be levied to erect the edifice. This improvement has long been desired, for comfort, safety of public records, etc., etc. and we are gratified at the action on the Grand Jury in this matter.

## Today's Talk

**MONEY**

If money should be the main pursuit in life, just think of the loss should that money, for some reason, be suddenly swept away as has happened so many times. Not money, but knowledge, the joy of life, and integrity of character are the things that money can't buy and which remain to give substance to life.

Said Stevenson: "To be wealthy, a rich nature is the first requisite and money the second." I would say that a "rich nature" is something that money can not even touch. It is something that is born within one, and which keeps enriching itself. Review your friends and decide which ones stand as high — the ones with money, or the ones with a rich nature?

Character and integrity are not bought in the market place! Often it is that fools come into the inheritance of money — big money sometimes, but they don't know what to do about it. So they throw it around, seek notoriety, and dissipate with it. This is not so with the one who had the rich nature in the first place. Money to such is only money, like many another thing that is allied to envy and boast.

My father left me nothing in material wealth, but what he bequeathed to me of himself I have invested in something that has given me more happiness and success than anything that money could. He left to me an example that is imperishable. I take pride in it, and always shall. I want to be rich in kindness, love of my fellowman, and full of the beauty of earth. Who could happily wish for more? I hope that I may leave as much to my twin sons!

Tomorrow Mr. Adams will talk on the subject: "Our Blessings." Protected, 1957, by The George Matthew Adams Service.

"I am proud to have you praise it," was the owner's brief reply.

"Where no one cares to plant them, flowers you'll very seldom see. Neglected, poor and shabby the environment will be. But when one who loves a garden all the thistles there removes. By the labor of the gardener the environment improves."

## STATEEMPLOYEES VOTE ON SOCIAL SECURITY TODAY

**HARRISBURG** — Some 18,000 public school employees and other state workers cast ballots today and tomorrow to decide if they want Federal Social Security coverage.

If a majority of the voters agrees to the coverage, the Social Security plan will be integrated in their regular retirement plans.

About 59,000 school employees and 49,000 other state workers are eligible to vote in the many polling places designated throughout the state.

**Special Retirement Plan**

School employees come under a special retirement plan which is separate from the State Employees Retirement Fund.

Paul C. Moomaw, Director of the Bureau of Social Security for Public Employees, predicted from an earlier vote that the ballots will overwhelmingly back the integration.

"These school and state employees in May, said in writing, they desired Social Security integration with their retirement systems," Moomaw said.

**Will Cover Voters**

After the vote, Social Security coverage will be provided for only those who voted.

He said that the program also would provide coverage for all school and state employees who, because of the nature of their work or for other reasons, are not now eligible for school or state retirement coverage.

"This will mean that approximately 130,000 public school and state employees will be under Social Security coverage as soon as the plan is approved by the Federal Government," Moomaw said.

Their coverage would be retroactive to Jan. 1, 1956, or the date of their employment if it came after that time.

## YORK RESIDENT WINS FREEZER

More than 8,500 entries were sent in by homemakers in this vicinity and from other areas served by the Metropolitan Edison Company in the "Win a Freezer" contest sponsored by the utility. It was announced today by William A. Lentz, Gettysburg manager for the company.

Winner of the new electric freezer valued at \$500 is Mrs. J. L. Rentzel, 156 West Cottage Place, York. Her name was selected as the winning entry as the result of a drawing held at MECO headquarters in Reading.

Entry blanks for the contest, which ran from June 24 to July 31, were distributed through appliance dealers and the frozen food departments of retail food stores. They were mailed by the housewives to the local utility along with a frozen food label (or reasonable facsimile).

With "Life's Easier With a Freezer" as its theme, the contest was conducted as a part of the company's program "to point out the many advantages of the three types of freezers—upright, chest and refrigerator-freezer combination. Special emphasis was placed on the numerous ways in which a freezer can be used to aid modern carefree living and enable the homemaker to take full advantage of budget buying when food prices are low."

## U.S. Refuses To Admit Red Newsmen To United States

**By JOHN RODERICK**

**HONG KONG** — Plans to send American newsmen into Communist China appeared stalemated today by a Peiping demand for reciprocal U.S. admission of Red Chinese reporters. The State Department promptly rejected the Communist demand.

Radio Peiping announced last night that the State Department's decision to allow 24 U.S. reporters to work in Red China for six months "is completely unacceptable to the Chinese people."

## No Reciprocal Visas

The Chinese government "expects Chinese correspondents to be given reciprocal treatment to go to America to report," the broadcast commentary from the official Peiping People's Daily said.

## 41 Yanks in Red China

A full text of the Peiping commentary was read by what veteran radio monitors said was obviously a young American's voice. Forty-one American youths are now in Red China as guests of the government, and 12 American Korean war turncoats also are still on the mainland.

"Fundamentally, the U.S. government is not considering the principle of equality and reciprocity at all, but wants to collect intelligence in China through its correspondents, carry out subversive activities and embitter feelings between the Chinese and American peoples," the broadcast said.

"Keeping to its consistent policy, the Chinese government will continue to work for contacts and mutual understanding between the Chinese and American peoples."

The two Western nations that now have reporters permanently stationed in Red China, Britain and France, permit correspondents of the New China News Agency to work in London and Paris.

## James MARLOW Reports

The Associated Press

**WASHINGTON** — James R. Hoffa—no matter what else happens to him—is not going to look like an unselfish, modest-living hero of American labor after the Senate Rackets Committee investigation.

His attitude toward the world seems to be: "They don't come too big for me." He sounded tough, cocky and forthright when—knowing what he'd be hit with—he announced he'd answer the committee's questions.

It remains to be seen whether he also showed good sense. The chunky, 44-year-old Hoffa, Midwest boss of the Teamsters Union, is tough all right. But he's walking over ground full of bobby-traps.

This committee has done a digging job on him: into his financial dealings, his associations, his plans and ambitions. It even has wiretapped recordings of his telephone conversations. And he took an oath to tell the truth.

**Threat Of Perjury**

Hoffa is being asked a lot of questions covering years. He has a remarkable memory — sometimes. But any witness under oath who makes a misstep by stating as fact what turns out not to be can wind up charged with perjury.

He faces no such problem if he says he can't remember matters about which he's asked. After three days of watching Hoffa have memory trouble, Sen. Ives (R-NY) commented on Hoffa's "convenient forgettery."

Yet if Hoffa had done what Dave Beck did—duck questions by taking the Fifth Amendment—he might have ruined 25 years of climbing up the union ladder to power just when the top prize is in sight.

**After Beck's Job**

Hoffa hopes to succeed the discredited Beck as president of the 1 1/2 million member Teamsters Union, biggest in the nation, at its September convention. Hoffa was bouncy Tuesday when he first faced the committee. After three days he looked strained.

The picture the committee is

trying to paint of Hoffa is not pretty; a tieup with hoodlums and ex-convicts, led by Johnny Dio, and a drive to extend his power from the Midwest to control of New York Teamsters.

Beck used the Fifth Amendment to avoid telling this same committee about his admitted use of hundreds of thousands of dollars in union funds. He wrecked himself as a union leader. Since then he has come under charges of larceny and income tax evasion.

## Borrowed Union Funds

But the committee brought out that Hoffa had borrowed \$120,000 — of which he says he still owes \$70,000 — from various sources, including subordinates among the Teamsters, and \$21,000 from his own local in Detroit.

Chief counsel Robert F. Kennedy said some of those from whom Hoffa borrowed money — without interest or security — were men with long police records and some employers who dealt with Hoffa's union.

And when Kennedy asked if the members of his own local had been fully advised of his borrowing from it, Hoffa said he didn't know whether he had reported the transactions.

## Actually Lowers Boom On Himself

**MIAMI, Fla.** — A Hialeah man was charged with suspicion of malicious destruction of private property yesterday after he almost lowered the boom on himself.

Sgt. Stanley Hartles of the Dade County road patrol was told Stirling Chadwick, 44, climbed into the cab of a crane, pulled the wrong lever and brought the boom crashing down on the cab roof.

It missed Chadwick by inches. The man also was charged with drunkenness and vagrancy.

## Siberian Grain Harvest Is Late

**MOSCOW** — Pravda has called on farmers in Siberia to speed up the grain harvest.

The Communist party newspaper said yesterday only 8 to 16 per cent of the crops were in by Aug. 20 in some areas. It blamed late ripening of the crops and poor use of machinery.

Grain harvests Aug. 20 were 12,355,000 acres ahead of last year outside of Siberia, the paper reported.

Increased agricultural production is being pushed by Communist party boss Nikita Khrushchev.

## White Sox Sweep Pair From Baltimore; Yankees Beaten; Milwaukee Extends Its Lead

By ED WILKS  
The Associated Press

Those Chicago White Sox die so hard, who knows? They might just manage to stay alive.

You can smile, pal, but don't laugh. After sweeping a pair from Baltimore 6-2 and 3-0, while New York lost a single game at Detroit 7-2 yesterday, the White Sox are only four games behind the Yankees in the American League chase.

Another Yankee loss at Detroit today, while the Sox are idle, and a Chicago sweep in a three-game series with New York opening at Comiskey Park tomorrow night would bring the Sox within three percentage points of the top.

All of which could upset the pre-season dope, making it an all-the-way race in the AL while Milwaukee runs away with it in the National. The Braves grabbed a 7½-game lead again by defeating Philadelphia 7-3 as Brooklyn knocked off second-place St. Louis 6-5.

**Bucs, Cubs Split**  
The New York Giants, pressing for the first division, clobbered Cincinnati 10-1. Chicago's Cubs blanked 3-0 on four hits by Vern Law, bounced back with 16 hits in the nightcap at Pittsburgh for an 8-2 decision.

In the other AL games, Kansas City defeated Boston 3-2 and Cleveland swept Washington 3-2 and 6-4.  
Bob (No-Hit) Keegan helped get the sweep over the Orioles, throwing a three-hitter in the opener as a follow-up to Tuesday's no-hit job on Washington. The 35-year-old right-hander, now 9-6, walked none and retired the first 10 before Bob Boyd's triple and an infield out scored one in the fourth. Al Pizarro homered in the fifth, but the Birds didn't get another hit until Billy Gardner singled in the seventh.

**Kaline Homers Twice**  
The Sox, scoring two first-inning runs without a hit and pocketing a pair of unearned runs in the second inning of the opener, were blanked on two hits by Bill Wright until the nightcap sixth. Then Sherm Lollar's two-run single and a wild pitch nailed it. Billy Fischer won his fifth.  
Al Kaline had half Detroit's eight hits, including his 13th and 16th homers, both two-run shots. Bob Turley lost it while Billy Hoelt, who won 20 last season, gained a 6-8 record with an eight-hitter.

Yankee Mickey Mantle was 2-for-3, pushing within two points of Boston's Ted Williams, who was hitless as his bat average skidded to .378.  
**Hazle Gets 2 Homers**  
Bob Hazle whacked a pair of three-run homers for the Braves and also singled in three trips for a .526 average in 57 at bats. Warren Spahn also homered while winning his sixth in a row for a 16-8 record. Robin Roberts lost his 18th.

Sal Maglie trudged in from the bullpen and saved it for the Dodgers, fanning Ken Boyer on three pitches with the bases loaded and two runs home in the ninth. Don Drysdale won his 13th. Gil Hodges drove in three runs with his 21st homer and a double off loser Sam Jones.

**2 Homers For Mueller**  
Don Mueller had four hits, two of them home runs, for the Giants. Ruben Gomez won his 14th with a six-hitter, losing a shutout in the ninth when Ed Bailey cracked a home run.

Ex-Pirate Dale Long had three of the Cubs' hits off Law, who won his 10th and lined three more in the nightcap. Moe Drabowsky fanned nine while losing the opener.

Vic Power, Hector Lopez and Woody Held homered for Kansas City against Tom Brewer. Tom Gorman won with a six-hitter.

The Indians came from two runs back in both games, winning the opener on homers by Gene Woodling, Al Smith and Jim Hegan as Mike Garcia five-hit the Nats and struck out seven. Ray Narleski saved the nightcap for Cal McLish, retiring the side with the bases loaded in the ninth.

## Dislikes Doubles, Plays National Meet

BROOKLINE, Mass. (P)—Budge Patty, who dislikes the doubles game, today joined Gardner Mulloy to battle Australia's Ashley Cooper and Neale Fraser for the National Doubles championship he did not seek.

Patty, 34, suave employee of a Paris travel agency, and Mulloy, 43, are top-seeded as a result of their triumph of experience over youth at Wimbledon.

Defending champions and 11-time winners Louise Brough and Mrs. Margaret DuPont today met Althea Gibson and Darlene Hard for the women's doubles title. Althea and Darlene never have lost a match in the eight tournaments they have played together plus the Wightman Cup.

## VENTURI WINS GOLF TOURNEY, COLLECTS \$6,000

MILWAUKEE (P)—For a golfer who maintains money is secondary, boyish looking Ken Venturi of San Francisco is doing 'all right' for himself.

The 26-year-old pro pocketed a \$6,000 check yesterday for winning the \$38,000 Milwaukee Open Golf Tournament by five strokes with a 13-under-par 267 at the 6,355-yard Tripoli Golf Club.

The victory, his second in a row in tournament play, catapulted him from 30th to 15th place on the PGA's money list with earnings of \$14,211 in less than four months.

Venturi turned pro Nov. 28, 1956, but he didn't become eligible for money in PGA cosponsored events until May 28. During that six-month probationary period, he won \$4,249 in non-PGA sponsored tournaments, plus about \$1,000 in pro-am events. In the last nine months his winnings add up to around \$20,000.

Not bad for a guy who says, "My main purpose is to see how much I can win tournament wise, not money wise. I figure if I play

## HOOT SONG IS HAMBLETONIAN POPULAR CHOICE

DUQUOIN, Ill. (P)—Hoot Song looms as the popular choice for tomorrow's betless Hambletonian, the Kentucky Derby of harness racing.

The big trotting stake for 3-year-olds, held for the first time on the exceptionally fast baked clay mile oval at the DuQuoin State Fair, grounds has drawn a field of 21.

The track, given good weather, is conducive to a record. Some observers feel the field doesn't have enough class even with perfect conditions.

For the first time since 1940 there will be no pari-mutual wagering. It is unlawful at state fairsgrounds in Illinois. But the railbirds are active and there are unofficial odds floating around.

Hoot Song, sired by Hoot Mon, whose two-minute heat in 1947 at the Hambletonian's former Goshen, N. Y., home stands as the record, is rated an even choice. So are Hickory Smoke and Buckeye Demon.

**Could Beat 2 Minutes**  
Based on performances this year, Hoot Song, a black filly owned by Two Galts Farm of Carmel, Ind., and driven by Ralph Baldwin, could better two minutes. She trotted 201 3-5 at Sedalia, Mo., last week for the best time of the year for a Hambo eligible.

Buckeye Demon, owned by Battekill Stable of East Dorset, Vt., and piloted by Harrison Hoyt—only amateur ever to win the race—has the second best time of eligible colts, 2:01 4-5.

Hickory Smoke, winter book favorite, is owned by L. B. Shepard and A. C. Mudge of Hanover, Pa., and will have John Simpson at the reins. Simpson, 37, and Baldwin, 41, never have won the Hambletonian although each is a veteran of seven or eight years in it.

**Use Elimination Run**  
Because rules of racing prohibit the DuQuoin State Fair from starting more than 20 horses in any one race, a division elimination setup will be used for the first time.

The gross purse is \$111,126.25, second to the \$117,117.98 with a record 23 entries in 1953. That race was permitted to be trotted in tiers with all 23 in the field under New York harness racing regulations.

The maximum winner's share this time will be \$47,917.62. But to attain it, a horse must win each heat in his division and the fifth heat. First money in any heat is \$13,068.44 with a winner-take-all jackpot of \$21,780.74 for the show-down mile.

SACRAMENTO, Calif.—Seattle's JoAnne Gunderson defeated veteran Ann Casey Johnston 8 and 6 in the finals of the National Women's Amateur championship.

CHICAGO — Jewel's Reward (\$26.80), a 12-1 shot, overhauled the odds-on favorite Alhambra with a blazing finish to capture the \$144,550 Washington Park Futurity.

Venturi carded rounds of 68-66-65-68 in the 72-hole event over the par 35-35-70 course. Last week, he won the St. Paul Open with a 22-under-par 266.

He beat 16 of the top 18 PGA money winners here, including Al Balding, Ontario, Canada and Sam Snead, White Sulphur Springs, W. Va., who tied for second place with 272s. They collected \$3,500 apiece.

In a tie for fourth place, were Howie Johnson, Houston, Tex.; Bob Rosburg, San Francisco, and Paul Harney, Worcester, Mass. They had 276s for \$1,866 each.

## DROPS ROBERTS AS STARTER

PHILADELPHIA (P)—Robin Roberts veteran mainstay of the Philadelphia Phillies pitching staff, has been dropped as a starting hurler by Manager Mayo Smith.

After yesterday's 7-3 loss to the Milwaukee Braves, in which Robbie gave up six hits, including two homers in 3 1-3 innings, Smith said he had decided to replace him in the pitching rotation.

"Don Cardwell and Jack Meyer will take his place," he said. "What else can I do?"

Roberts has been a great favorite with the fans since he joined the club in 1948.

He posted a 15-15 record his first full season and for the next six years straight was among the 20-game winners. Last season he missed it by a single victory but lost 18 over the route.

Yesterday's game was his 18th loss against 8 wins, one of the worst records in the majors.

Robbie has relied heavily upon his sizzling fast ball over the years and there is general agreement that the 30-year-old right-hander's loss of speed has been the major factor in his poor showing of late.

An excellent control pitcher, Roberts has also been plagued for some time by the "kopper ball," the home run pitch. This season he has given up 35 homers.

## Chicago's Scout Killed In Crash

GAINESVILLE, Ga. (P)—Ivy M. Griffin, Chicago Cubs baseball scout and a former major and minor league player, was killed yesterday near Gainesville when his car left the highway and overturned.

Relatives at Mobile, Ala., said Griffin, 61, was on a trip in Georgia scouting players for the Cubs. He had lived at Mobile several years.

Griffin, a native of Thomasville, Ala., broke in as a first baseman with the Atlanta Crackers in 1919. He was sold to the Philadelphia A's, where he played until 1921.

## Three Pen-Mar Games Rained Out; Meeting Tuesday

Rain on Sunday washed out the final three scheduled games in the Pen-Mar Baseball League. At Waterfield, Blue Ridge Summit, league president, has called a meeting of league officials and team managers for Tuesday evening at 8 o'clock at the Emmitsburg VFW Home.

Due to the meeting, Sunday's games will not be made up Tuesday evening. Union Bridge and Blue Ridge Summit are currently tied for first place with 13-6 records. Emmitsburg and Cash-town have announced that their game of Sunday will not be played inasmuch as it will have no bearing on the playoff positions. However, arrangements are expected to be made for the other two games, Union Bridge at Fairfield, and Taneytown at Blue Ridge Summit, which could decide the regular season champion.

Plans for the regular Shaughnessy playoffs between the four top teams in the standing—Union Bridge, Blue Ridge, Fairfield and Taneytown—will be made.

**Contenders Meet**  
Two contenders for Robinson's title—Joey Giambra and Rory Calhoun—meet in San Francisco Cow Palace tonight. Giambra, who now makes his home in "Frisco," is No. 4 on the list, while Calhoun is No. 5. They fought a draw in Syracuse, N. Y., in June.

Calhoun, who was ahead until the late rounds of the first fight, probably will be the slight favorite. The winner may fight Joey Giardello.

Tonight's feature at New York's St. Nicholas Arena will send a couple of undefeated, but raw, middleweights against each other. Gene "Ace" Armstrong of Elizabeth, N. J., shows nine decisions in nine trips to the post as a pro.

**Bigger Puncher**  
His rival, Rudy Sawyer, of New York, is reputed to be more of a puncher. He has fought 10 times, won nine—five by kayos—and held to one draw. DuMont will televise the bout to some sections of the country.

## ROBINSON FUSS OVER TV BEFORE N.Y. COMMISSION

By ED CORRIGAN  
The Associated Press

The New York State Athletic Commission took on the unenviable role of arbitrator in a feud involving middleweight champion Sugar Ray Robinson, challenger Carmen Basilio and a couple of closed circuit TV companies today.

Robinson is supposed to meet Basilio for the title on Sept. 23, but he has announced he's pulling out of the bout if the closed circuit (theater) TV conditions don't suit him. Right now, they don't.

The promoting International Boxing Club signed with Theater Network Television to handle the bout. Robinson claims his contract stipulated that he must agree to the sponsor. He wants another outfit, Telepromter, to handle it. Telepromter can bring in more money, he says.

## Softball Playoff Game This Evening

Tonight at 8 o'clock the Hess Antiques and Elks will meet on the Recreation Park diamond in the second of their best-of-five series for the playoff championship of the local Softball League. The Antiques trounced the Elks 12-2 last Friday in the opening game of the series.

All future games of the series will be played at 7:30. The third game of the series will be Tuesday evening at 7:30.

**Eastern League**  
By THE ASSOCIATED PRESS  
The Springfield Giants, obscured for weeks in the cellar of the Eastern League, have left a searing memory with at least one team.

In their parting game of the season with the Schenectady Blue Jays last night, the Giants inflicted a stunning 17-3 defeat on the No. 2 club. It pushed the Jays another half game back, to 3½ games out of first place.

The league-leading Binghamton Triplets and third-place Reading were idle. At Allentown, Ed Kneuper, knocking in five runs and hitting two homers and a single, led the Chiefs to an 8-5 triumph over the Albany Senators.

Kneuper's two home runs were his 11th and 12th of the season. Each accounted for two of his RBIs. The fifth came when he forced home a run in the eighth inning by being walked when the bases were full.

**YESTERDAY'S STARS**  
HITTING — Al Kaline, Tigers; Bob Hazle, Braves—Kaline was 4-for-4, including a pair of two-run homers, in 7-2 victory over Yankees; Hazle, upping his average to .526 in 57 at bats as a "replacement", was 3-for-3 with a pair of three-run homers in 7-3 victory over Phillies.

PITCHING—Bob Keegan, White Sox, followed up his no-hitter against Washington last Tuesday with a three-hitter in the first game of a 6-2, 3-0 doubleheader sweep against the Orioles.

## HAZLE STARS IN NEW FLING WITH BRAVES

PHILADELPHIA (P)—A discouraged minor league outfielder who decided to give baseball one more fling today is one of the big reasons why the Milwaukee Braves are leading the National League by 7½ games. He is Bob Hazle, currently the hottest hitter in the major leagues.

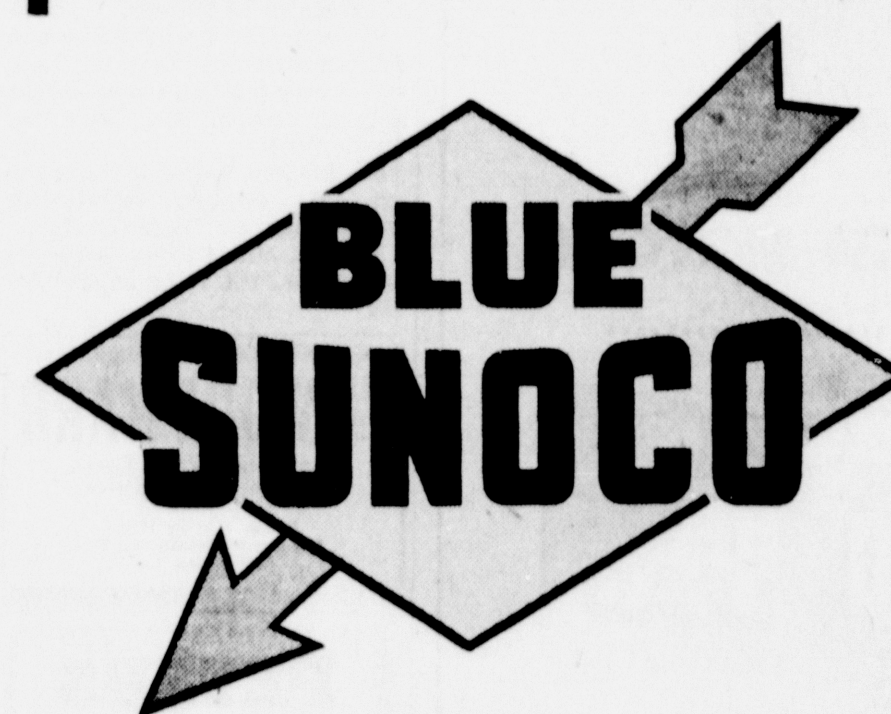

The youngster, who only a few months ago was contemplating quitting baseball because of a troublesome knee and an aggravated batting average, is hitting a blazing .526. He started hitting practically the day he joined the Braves about a month ago and hasn't stopped. In 57 times at bat since his promotion from Wichita, where he failed to hit .300, he has accumulated 30 hits, including five home runs.

He smashed homers 4 and 5 yesterday and drove in six runs as the Braves defeated Robin Roberts and the Philadelphia Phillies 7-3 for their 14th victory in the last 18 games. During that stretch Hazle has driven in 21 runs. He also singled and walked yesterday for a perfect day at the plate.

"The kid can really rip the ball," said Andy Patko, veteran outfielder who has been assigned to tutor Hazle. "Next to Henry Aaron he's got the strongest wrists I've ever seen. And he doesn't swing at too many bad balls either. That's rare for a youngster."

# Woman Reaches Shore After 4 Hours To Get Aid For Family

SCARBOROUGH, Maine (AP) — Sobbing, gasping, Martha Cole, 24, stumbled onto a beach here Friday and told of a four hour battle with tides, winds and waves to get aid for her boat-wrecked family.

The life-jacket clad woman related they were washed from a frail 15-foot outboard boat in heavy seas.

Hours later, the young Jenkinson, Pa., housewife heard that her son, 22-month-old Jeffery, became the only fatality of the mishap.

**Had Life Jackets**

Her grief-stricken husband, Thomas O., 25, fought tears as he explained how those clinging to the boat tried to keep the baby's head above water.

All, including the child, had life jackets. They swam to tiny, uninhabited Stratton Island when the boat sank.

Cole, Coast Guard airman said, was still trying to revive the child by artificial respiration when spotted by a helicopter.

**Strong Swimmer**

His wife's battle with the sea was across a three mile stretch of open Atlantic. She fought her way to the mainland from a point between Stratton and Eagle islands off famed Old Orchard Beach.

"She certainly must have been a powerful swimmer," one coast-guardman said, "we had enough trouble getting out to the island with our 25 horsepower boat."

Dr. Walter D. Mazzacane, who treated Mrs. Cole for shock and immersion, said:

"High winds and heavy tides kept nearly all the swimmers out of the water today."

**Were Picnic-bound**

Included in the Eagle Island bound picnic party were Theodore

## York Girl Chosen "Poultry Queen"

HERSHEY, Pa. (P)—Miss Margaret McPherson, 18-year-old New Park, York County, beauty, today reigns as Pennsylvania Poultry Queen of 1957-58.

Miss McPherson was crowned queen here Saturday by her predecessor, Miss Penny Hoffman, 20, of Columbia County.

The crowning was part of the Pennsylvania Poultry Festival activities.

In other program activities, Sen. John J. Williams (R-Del.) said he was "alarmed at the constantly diminishing value of the dollar."

He said the United States must stop "promising everything to everybody" and "unnecessary government spending" must be eliminated.

Nelda Kohler.

Trooper Steven Condes said both cars were demolished when they collided head-on while traveling in opposite directions in the center lane of the three-lane river drive.

Condes said Kreitzer was returning to Harrisburg from a picnic and the other carload was returning home from an outing at Hershey Park.

## Hopi Indians To Perform At Picnic

WILLIAMS GROVE, Pa. — Tom-toms will throb to weird chants of a band of Hopi Indians as they perform a series of primitive dances during the coming week, a free attraction starting Tuesday afternoon at matinee and evening performances during the 92nd annual Granger's fair and picnic now underway and continuing through Labor Day at Williams Grove Park.

Appearances of the Indians in Col. M. W. Billingsley's production, "Legends of The Hopi," will be one of many free attractions during the picnic which will also include a free display of fireworks Tuesday night and again Labor Day night.

Highlight of the ceremonies and dances will be the Hopi's mystic and sacred snake dance, a prayer for rain, which Billingsley said Congress was considering banning more than a quarter of a century ago.

However, Billingsley, a member of the tribe who has been made a full-fledged "brave" for his constant efforts to better their conditions, and representatives of the tribe visited Washington.

After performing their supplication for rain before the assembled Congressmen on the Capitol steps, an act was passed whereby the tribe is allowed to perform the snake dance without interference "for all time to come," and the Hopis remain grateful that their right to worship and pray as their forefathers have done for centuries has been preserved.

## 28 LOSE LIVES IN ACCIDENTS OVER WEEKEND

By THE ASSOCIATED PRESS  
Accidents claimed 28 lives in Pennsylvania over the weekend, 26 on the state's highways.

Two separate violent auto crashes—in opposite ends of the state—resulted in death for six persons, three in each accident. In northeastern Pennsylvania a car plunged into an abandoned strip mine, killing two.

A kitchen blaze burned a Harrisburg woman and a teen-age boy was crushed to death by a barge on the Monongahela River at Millsboro in the non-highway fatalities.

Three teen-agers were killed in a single auto accident near Indiana, Pa., late Friday night. Their auto plunged into Two Lick Creek and the wreckage was not found until several hours later, police said. The dead were Linda Miller, 17, Vintondale, Cambria County; William P. Strenko, 17, Barnesboro, R. 1, and Gene F. Toth, 17, Spring Grove.

A two-car collision in Tinicum Twp., a half mile west of the International Airport just outside Philadelphia, also killed three persons, including a six-year-old girl. Nine others were injured in this crash. Killed were John M. McConnell, 33, and his daughter, Linda, 6, of Darby, and Otella Edwards, 50, of Chester.

## 2 CRUSHED TO DEATH IN CAR

BEVIDERE, N.J. (P)—A tractor trailer rumbled out of control down a serpentine curve here yesterday and overturned on a passing car, crushing both of its occupants to death.

Police identified the dead men as Herbert Gallo, 33, of Bridgeport, Conn., driver of the car, and James Burlessee, 49, of Stamford, Conn., a passenger.

It took more than an hour to cut the men free from the flattened car. Both died of crushed skulls. Police held the driver of the truck, Anthony Grabowski, 46, of Belleville on a charge of causing death by auto. State Trooper John Fredericks said a drunkometer test showed Grabowski was under the influence of alcohol.

Also held in Warren County jail were two others in the truck — George Nally, 63, of York, Pa., and Arnold Pilson, 48, of Gastonia, N.C. They were detained as material witnesses.

Police said the air line operating the brakes in the trailer had not been connected. The truck, owned by Kane's Restaurant in Allentown, Pa., was carrying catering equipment from the Morris County Fair to the Flemington Fair.

## Lift Quarantine On Potato Fungus

HARRISBURG (P) — The State Agriculture Department today lifted the quarantine against potato

war fungus which had been in effect for as many as 38 years in some areas of the state.

William L. Henning, agriculture secretary, said the ban lifting permits planting of potatoes in soils formerly believed infected with the

fungus.

The disease, believed to have been imported from Europe, was first discovered near Hazleton in 1918. Later surveys showed its

presence in garden potato patches in 16 coal region counties, Henning said adding:

"The quarantine lifted today was for relatively small areas in Wayne, Lackawanna, Susquehanna, Cambria and Sullivan Counties. Secretary Henning said that areas in Schuylkill, Jefferson, Clearfield, Centre, Bedford, Fulton, Somerset and Huntingdon Counties had been quarantined at one time."
